Final size

Approx. 37cm. (14.5 in.) tall (using worsted acrylic yarn

and a 4.0 mm hook.)

Materials

- Worsted weight yarn (medium/4) in colors:
 - o Sky blue - 400 yards/365 meters
 - o Light orange - 100 yards/91 meters
 - o Black - 5 yards/4 meters
- 4.0mm hook.
- Two safety eyes (15 mm.)
- Yarn needle, stitch markers and scissors.
- Filling material of your choice

Grades

- Knit in rounds, without joining the rounds (unless specified otherwise). Use a point marker to mark the start of a round.
- You can make a larger toy by using a larger hook and thicker yarn (also adjust the size of the eyes).
- Knit the stitches very close together so that the toy keeps its shape and the filling does not show through the stitches.

Legs and body

With sky blue yarn. Knit in rounds, without joining the rounds. Use a point marker to mark the start of a round.

Firmly fills legs and body.

Note: The number inside the last parenthesis of each round shows the final point count for that round.

Leg 1:

Round 1: In AM do: [2 sc, 2 dc] x2 (8)

R2: 1 inc (sc) in each stitch (16)

R3: [7 inc(sc), 1 sc] x2 (30)

R4-7: 1 sc in each stitch around (30)

R8: 8 sc, 5 sc (sc), 10 sc, 1 sc (sc) (24) **R9:** 5 sc, 6 sc (sc), 7 sc (18)

R10: 4 sc, 1 sc (sc), 5 sc, 1 sc (sc), 5 sc (16) **R11-12:** 1 sc in each stitch around (16)

R13: 4 sc, 1 inc(sc), 3 sc, 1 inc(sc), 3 sc, 1 inc(sc), 3 sc (19)

R14: 1 sc in each stitch around (19)

R15: 1 inc(sc), 4 sc, 1 inc(sc), 4 sc, 1 inc(sc), 4 sc, 1 inc(sc), 3 sc (23)

R16: 1 sc in each stitch around (23) Cut thread and cast off. {Photos 1-5}

Leg 2:

Make leg 2 exactly like leg 1, but do not cut the thread or bind off. {Photo 6}

Join the legs with a piece of yarn and tie a knot (the red yarn is for demonstration purposes only, continue using sky blue). {Photo 7}

Note: It is not relevant at which specific point the legs join, as long as both feet are facing forward and the point count at the end of the round is correct.

In round 17 we are going to join the legs, making a single crochet in each point of both legs together.

Continue where you were in leg 2 and with sky blue.

Round 17: 1 single crochet in each stitch of the two legs together (total points in this round: 46, since the last round of each leg has 23 stitches). {Photos 8-10} **R18:**

[22 sc, 1 inc(sc)] x2 (48) **R19:** [7 sc, 1 inc(sc)] x6 (54)

R20: [8 sc, 1 inc(sc)] x6 (60)

R21-36: 1 sc in each stitch around (60) **R37:** [8 sc, 1 dec(sc)] x6 (54)

R38: 1 sc in each stitch around (54) **R39:** [7 sc, 1 dec(sc)] x6 (48)
